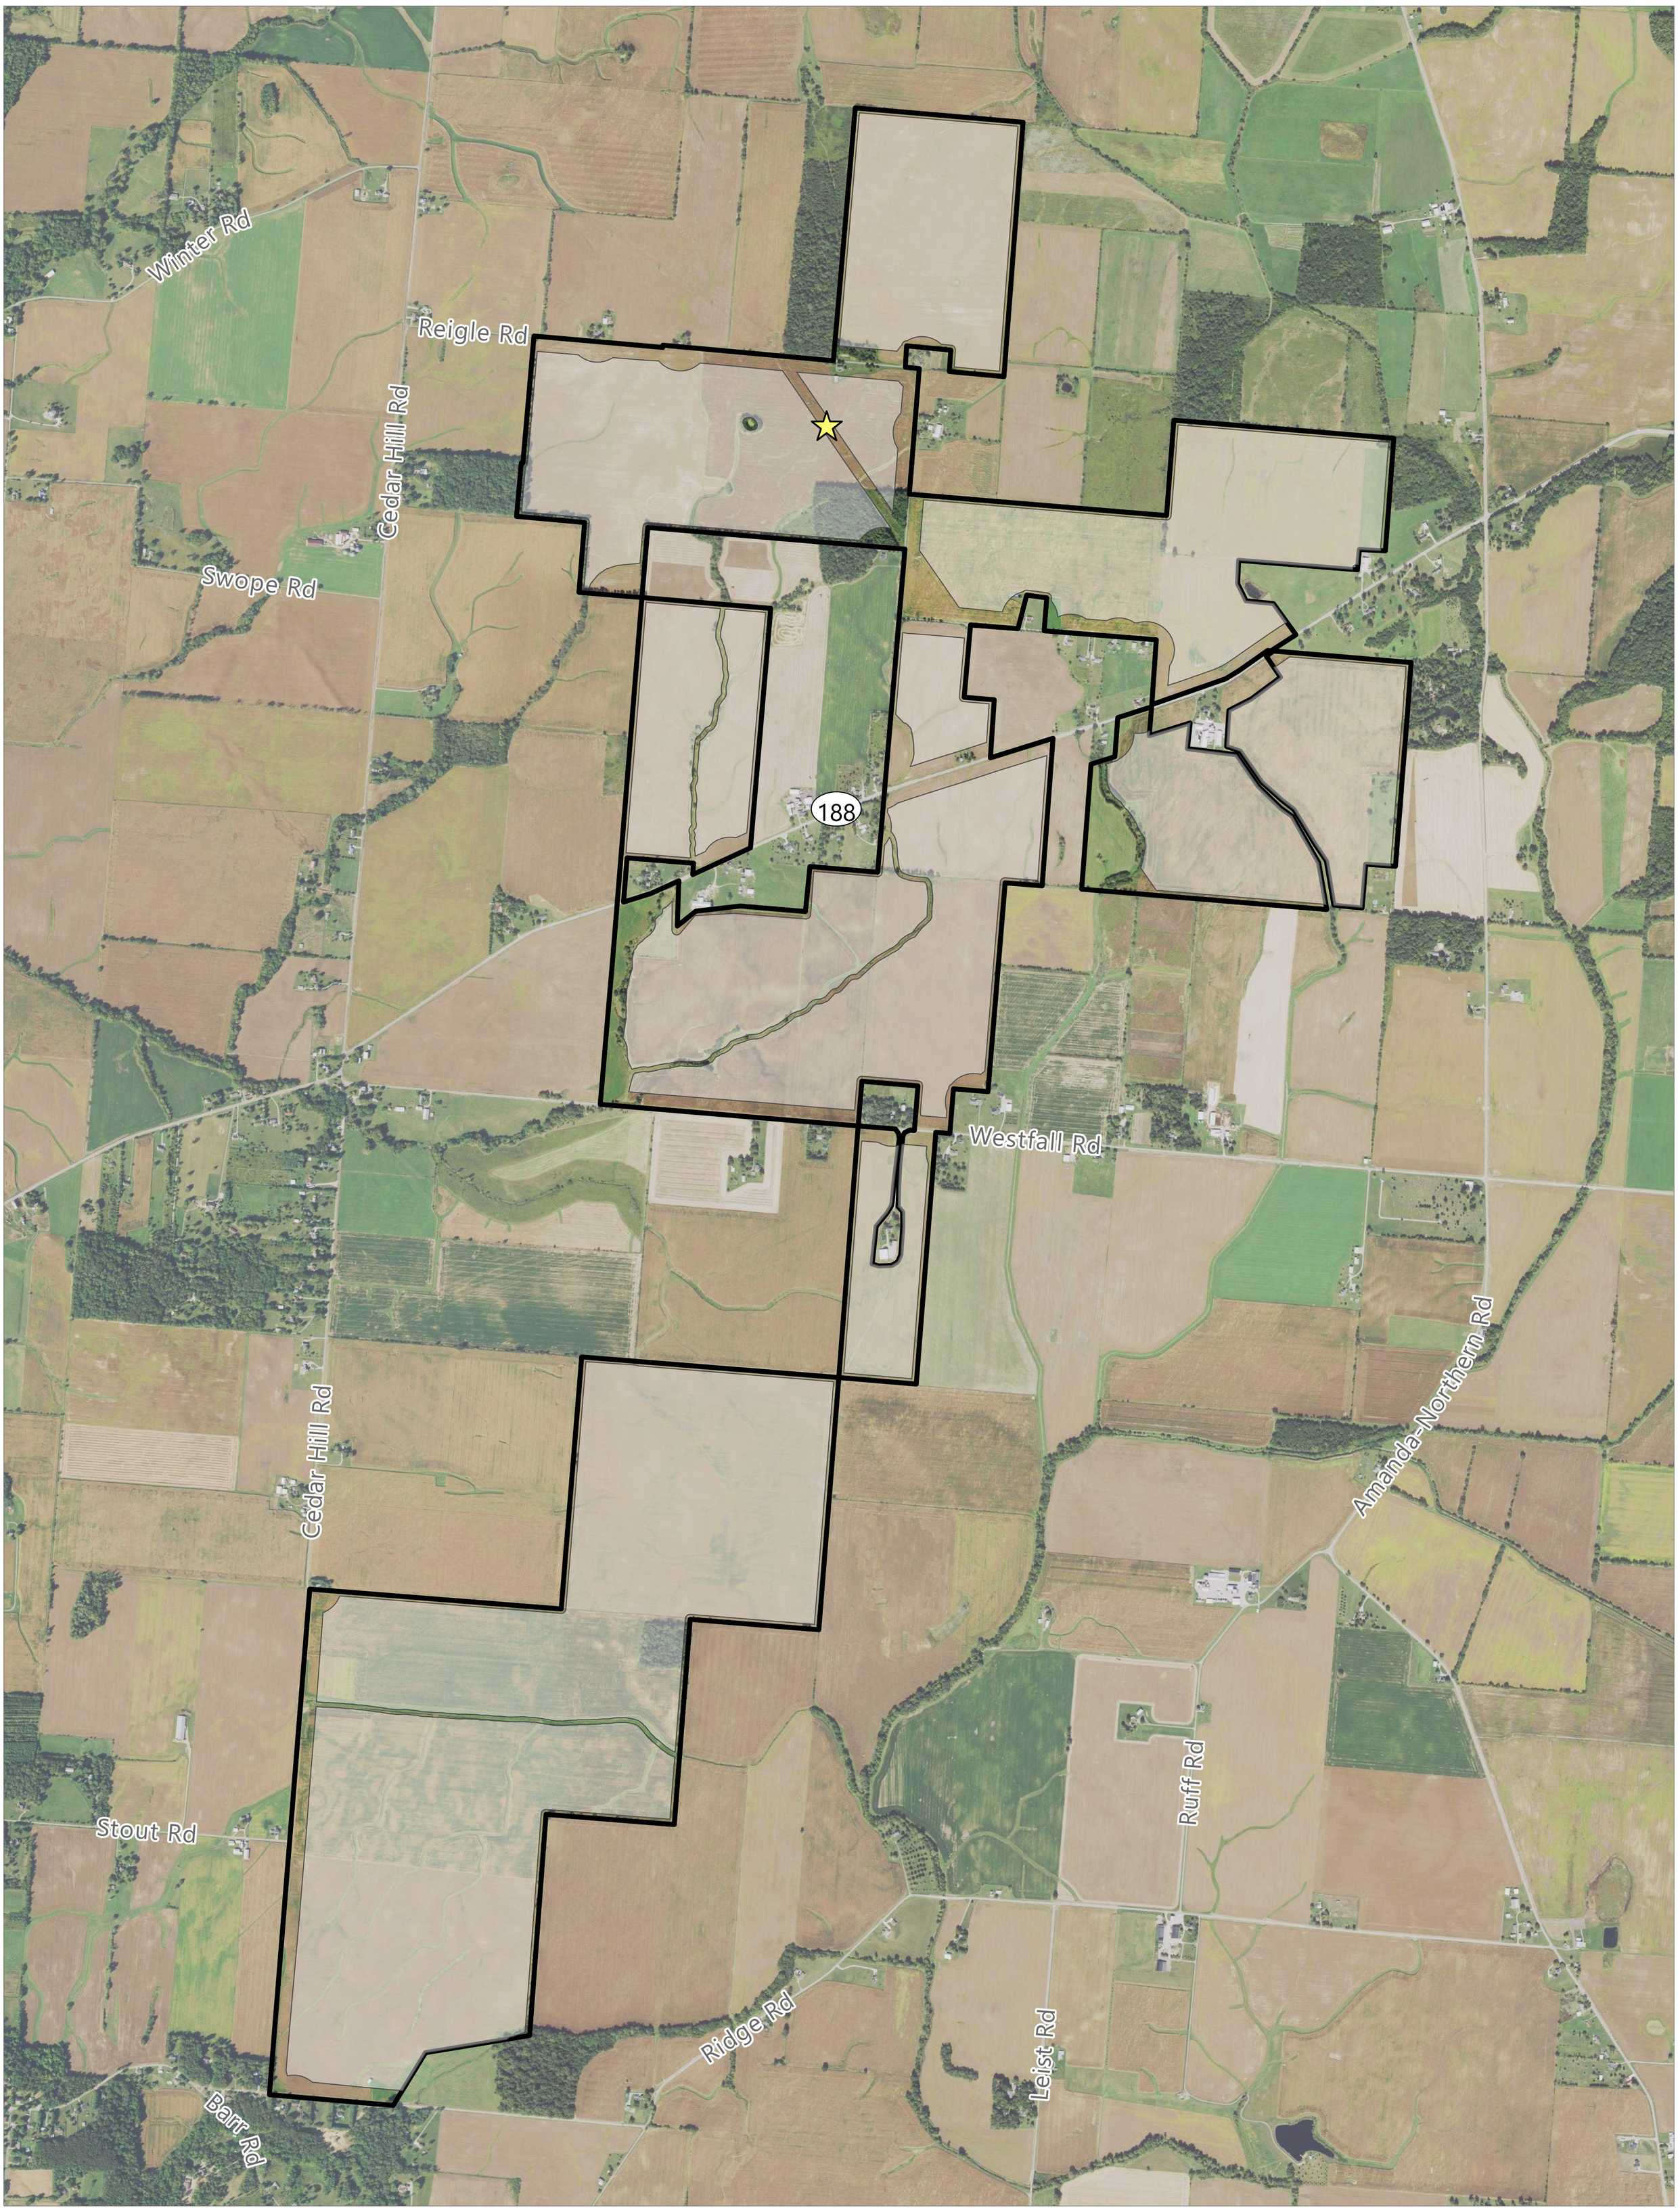
Potential PV Panel Area



Carnation Solar

Amanda Township, Fairfield County, Ohio

CARNATION SOLAR

Potential PV Panel Area represents the maximum boundary for installation of PV panels, based on the following setbacks:

- 300-foot setback from non-participating residences
- 50-foot setback from non-participating parcels
- 25-foot setback from mapped streams
- 150-foot setback from edge of public roads

The Project footprint will not cover this entire area.
